MILLESIMATO D'ANTAN®

This Sparkling Wine "Millesimato Riserva D'Antan®" it's produced with slow and traditional procedures of artisan winemaking: it offers an unmistakable intensity and an uniqueness of sensations. By using a long aging into the bottle, approximately ten years, on its autochthonous selected yeasts, we obtain a kind of wine that doesn't seem to have a limit on its age and that discovers with the time itself a great and loyal ally.

A product where the surprising freshness is accompanied by honey, spices, dried fruits, aromas and a remote memory of chocolate, with a continuous rising in harmonies. A rare wine, intended for connoisseurs, the creation of a particular moment of the nature with the man's endless patient work.

CLASSIFICATION: Sparkling Quality Brut Wine.

GRAPE VARIETY: 100% Cortese.

PRODUCTION AREA: Hills in the Gavi D.O.C.G. Production territory.

CUVEE: on the basis of grapes eligible for Gavi D.O.C.G. Production.

SPARKLING MAKING TECHNIQUE: classic fermentation into the bottle, long aging and maturation on the lees for approximately ten years.

STORAGE TIME: within two / three years from the "degorgement"

SERVING TEMPERATURE: 8°C.

APPEARANCE: thick foam and soft, plentiful; minute "perlage" and continuous.

COLOR: light gold, alive and bright.

PERFUME: intense and persistent; from an early warm sensation, it changes in intense exotic fruits, dissolving into honey, and spices into a soft, elegant complex.

FLAVORS: important, full, strong and fresh backbone, velvety and continuous, refined during its long aging on the lees. Nicely sour and pleasant almond hint.

GASTRONOMIC COMBINATIONS: ideal as aperitif and suitable for important meals. Excellent as after meal and "meditation".

IMPORTANT NOTE: sparkling wine reaches its optimum temperature after a two hours permanence into the fridge. We suggest of not to extend this period more than two / three days; a longer period can produce a drying of the cork, with product alteration, pressure loss and abnormal taste.
