## LA SCOLCA

A concept of a modern lifestyle, interpreted by Gavi dei Gavi® “Black Label” and Gavi dei Gavi Limited Edition 2017 a wine that has been the ambassador of the company for 103 years, whose aim is to involve and empower a community of eclectic wine lovers who are open to different experiences. Gifting emotions in a glass, to enter a world full of charm: this is the leitmotif that guides

every step of La Scolca. Every nuance, every reflection is sought after and pursued with great care; the moment of tasting becomes a moment of pure pleasure and emotion.
