

# BLANC DE BLANCS

Code BDB

*Sparkling wine made with Cortese grapes from vineyards located in the Gavi DOCG area. The sparkling process lasts no less than 36 months. For each bottle, the result of the second fermentation is stirred back to perfectly create aromas which, without any added corrections (as is typical of the Champenois tradition) makes it possible to obtain Pas-Dosè-Nature. The refined, elegant and delicate, slightly savoury taste is quite characteristic.*
