

GAVI DEI GAVI GOLD EDITION

Code GIGI100

The prestigious "Gavi dei Gavi"® La Scolca® is obtained with the strictest respect for nature, the most ancient and traditional rules of cultivation, from pruning to harvesting, with a meticulous and careful selection in vineyards that reach 60 years of age.

In the cellar, with vinification techniques refined over more than 100 years of experience, a Gavi is born that is still unsurpassed: a wine for comparison and reference, the fruit of a generations-long tradition.

A wine that surprises, contrasting a delicate bouquet with strong character and great personality; a wine suspended in time. Vivid and intense, harmonious and balanced, it offers surprising freshness and continuity. The complex hints of flint, almond and walnut cleverly evolve over time: a wine with the soul of a child, but the heart of an adult.
